# NPK and Water Soluble Fertilizers India 2017

9-10 February 2017

Shangri-La's Eros Hotel, New Delhi, India

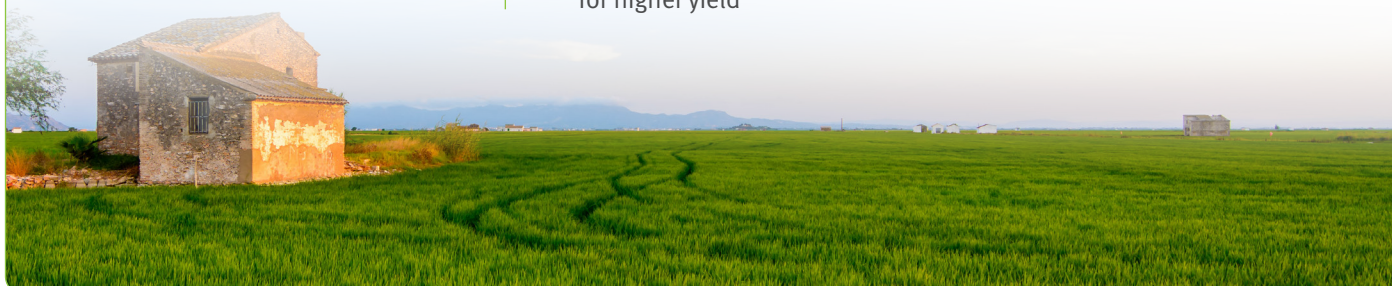

## Understand the competitive landscape and identify the growth opportunities

This year the event delves deeper into the continuing trends and anticipated growth of **water soluble fertilizers (WSFs)** in India.

### New Topics for 2017

- Development of fertigation in India - agro trends and their impact on farm inputs
- Marketing and quality management of NPK and water soluble fertilizers
- Nutrient planning for optimal crop growth - use of chelated micronutrients for higher yield

### Seminar Fees (Before 2<sup>nd</sup> December)

#### Indian

FAI Members : US\$ 450 | Non Members : US\$ 500

#### Foreign

Registration Fee : US\$ 1800
