

Felicitation of DG, FAI

On behalf of the Indian Society Agrophysics and the Division of Agricultural Physics, ICAR-Indian Agricultural Research Institute, New Delhi, Dr. Ch. Srinivasa Rao, Director of the Institute, felicitated Dr. Suresh Kumar Chaudhari, Director General, The Fertiliser Association of India, New Delhi on 09 May 2025.

At the occasion, DG, FAI enumerated the areas such as role of Indian Society of Agrophysics for the impetus to the research related to the discipline; emerging adverse effect of climate change on agriculture; ways and means to improve fertiliser use efficiency; etc. He thanked the Society and the Department for the felicitations and stated to work in tandem with the Institute and the Society.
