

Dr. Suresh Kumar Chaudhari, DG,FAI Visited Matix Fertilisers and Chemicals Limited, Panagarh on 6 March 2025

Dr. Suresh Kumar Chaudhari, Director General, FAI visited fertilizer plant of Matix Fertilisers and Chemicals Limited at Panagarh on 6 March 2025. During his visit, he took a round of ammonia, urea, bagging and floating solar power plants. He also visited the Mobile Soil Testing and Quality control laboratories. During his visit, DG engaged with the senior management team, offering valuable insights aimed at enhancing the mutual benefits for both the fertilizer industry and farmers. He commended the plant management for their outstanding efforts in efficiently maintaining the fertilizer complex.
