

Management Development Programme

FAI-SR organised a **Management Development Programme on Need for Paradigm Shift in Fertiliser Policy** during 19-21 March 2025 at Sri Vijaya Puram (Formerly Port Blair), Andaman & Nicobar Islands.

Dr. Suresh Kumar Chaudhari, while giving an overview of fertiliser and agriculture; implementation of fertiliser policy in late 1970s and changes made by the Government from time-to-time; challenges in both the sectors; Government initiatives to improve soil health and farm income; etc., he underlined the need for paradigm shift in fertiliser policy for desired growth of agriculture and reasonable returns to the industry.
