# Why BAW Congress is Different

## Organized By BioAg Professionals

Exclusively planned and managed by passionate BioAg professionals and sustainable farming influencers.

## Comprehensive Program

Engage, network and celebrate with BioAg stakeholders. Analyze industry trends, innovations and leadership insights critical for success.

## Fully Integrated Sustainability Event

Showcasing integrated sustainable smart farming: Biofertilizers, Biostimulants, Biopesticides and Precision AgTech.

## Balanced Congress and Expo Focus

Balanced convergence of science, innovation and commerce through congress and expo, facilitating matchmaking.

## Key Stakeholder Engagement

Unites farmers, agronomists, policymakers, regulators, business leaders, marketers, investors and the food industry.

## Globally Regional Approach

Annual rotation across continents for fresh, regional matchmaking opportunities, maintaining a truly global perspective.

## Recognizing Sustainable Champions

Honors Global Sustainable Grower, Exceptional Business Leader and Pioneering Innovation Awards through independent voting.

## Ongoing Think Tank Collaboration

Global Regulatory and Leadership Think Tanks drive actionable dialogue and deliverables for tangible grower solutions.

*“Each year moving to a new ecosystem, new continent, with new farming needs, innovations, opportunities and alliances — a truly global event, with new regional mix, organized with local stakeholders: by the industry, for the industry.”*
